## 2025 Membership Form

### 60 Years of Friendship and Giving

On April 8, 1965, an enthusiastic group of 24 women met on the porch of the Big Pine Inn with the idea of promoting friendship and good will among residents and visitors of the Keys, while supporting local charities through fundraising. That day the Lower Keys Women's Club was born and for 60 years the Club has continued the work of these women by raising over \$100,000 and collecting countless items for charities such as: St Peter Food Pantry, Keys Healthy Start Coalition, Max's Angels, Kids Come First, Critter Litters, Seacamp and many more, as well as funding the College of the Florida Keys Nursing School Scholarship Fund since the club's inception.

Like many residents in our community the Club was heavily impacted by Hurricane Irma and the COVID pandemic. Due to declining membership the Club was on the verge of closing. For the second time a group of determined, passionate women came together, stood strong and held the Club together while moving forward with a successful plan to grow our membership base and continue the important work of supporting our beloved charities. In order to continue the excellent work of the Club we strive to continue to grow our membership. Please join us today and invite your family and friends so that we may continue to support our club's mission and honor our legacy.

**Yearly membership fee is \$25.00 (Paid by ☐ cash ☐ check ☐ Venmo)**

☐ New Membership ☐ Renewal ☐ Contact me about volunteering.
